Next, we would like your views on the quality of the information at this program. Please rate your level of agreement/disagreement with the following statements. Simply circle the number that best reflects you.

Statement	<u>Strongly Disagree</u>	<u>Disagree</u>	<u>Neutral</u>	<u>Agree</u>	<u>Strongly Agree</u>
The information was up to date and accurate.					
The information was received in time to be useful.					
The information was easy to understand.					
The information will help in decisions about my own situation.					
The presenter(s) were knowledgeable about the subject.					
The examples used were relevant and meaningful.					

Overall, how satisfied are you with this program? *Please circle one number.*
